KITSAP ENVIRONMENTAL COALITION

PRESENTS

Earth-Soil-Plant-Animal-Humans... The Environmental Cost of our Food

We explore the relationships that form our food with three films:

Eating Our Way to Extinction,

Into the Soil: The Wisdom of Regenerative Farming, and

Changing Paradigms: The Power of Regenerative Agriculture.

Our guest speaker, **Renee Ziemann** from **Full Tith Farm**, will join our conversation about community support of local farming.
